

EXTENSION OF TIME FOR AGM

The HF Radio Club Inc. has been unable to hold the AGM due to the Corona-19 Virus restrictions on travel throughout Australia. It was originally planned for May, 2020, but had to be postponed. It was then hoped to conduct the AGM in Wagga Wagga in October. Again, we have been curtailed by travel restrictions.

In May we applied to Fair Trading NSW for an extension of time for holding the AGM and lodging the annual summary of financial affairs.

Fair Trading NSW replied that associations may conduct their AGM when restrictions are lifted or present 2020 financial information to members at the 2021 AGM. Fair Trading will not take any compliance action where an association is unable to meet statutory obligations in holding an AGM and undertaking financial reporting.

Following this advice and approval, the COM has decided to defer the AGM to 2021. The 2020 financial report has been completed but not presented to members for ratification. The current Committee Members and Support Group Members have agreed to continue in their positions until we can hold an AGM. We are very thankful to them for that offer.

I can assure you that the HF Radio Club Inc. will continue to operate and maintain its services for benefit of members and maintain a high level of monitoring. Our Club is in good hands.

Safety First and Friendship Always

Roger Cordukes (1477)

Secretary

(On behalf of the Committee)
